YOUNG ARMS

YARMS Training @ Corporate Centre

Young Arms Foundation (YARMS) in the endeavor to reach out to the society with informative and meaningful communication on different areas, organized few training programs this quarter.

Training on “Best Out of Waste”

The training program was conducted by Dr. Alka Mishra and Ms. Bina Somani at Corporate Center. She shared innovative ideas on transforming waste materials into useful items. This is very useful in today’s context where recycling of waste materials is emphasized upon. There are a lot of things around us that are considered as dump. Broken pots, discarded bottles, pouches can be reused as pots for planting. Some waste materials can be used for decorative purposes. The training brought about a lot of awareness amongst the participants towards waste utilization.

Training on Gas Cylinder (LPG) Safety

Using Gas Cylinder at home is a matter of concern in every household. Any news on cylinder explosion brings goose bumps. It is necessary to understand the safe use of these cylinders at home. A short training with a demonstration was delivered by Mr. Amit K Mishra (Head - HSE & Fire), SEML. The training covered information on Fire Triangle, Classification of Fire, safe use of cylinders, prevention of cylinder related accidents etc., thus improving the safety factor at home. Many practical ways to handle fire hazards were demonstrated using fire extinguishers where participants volunteered to extinguish fires. The knowledge of operating fire extinguishers is a must for handling fire hazards of any sort.

Training on Financial Planning

Every individual has financial goals to be achieved in a planned and time bound manner. With the advent of multiple financial products in the market, it becomes difficult to choose the healthy ones for a financially secured future. In this purview, YARMS conducted a Training on “Financial Planning”. The session was presented by Mr. Shrikanth Parakh. The session was very informative with knowledge shared about financial planning. The trainer covered some important aspects like: Invest For The Long Term, Education Re-Financing, Review Insurance Coverages, Reallocate Your Investments etc. The main objective of the program was to create awareness regarding importance of financial saving.

फ्यूल से लगने वाली आग पर पानी के बजाय डालें वॉशिंग पाउडर का झाग

यंग आर्म्स फाउंडेशन की फ्लवीजी फायर सेफ्टी पर वर्कशॉप ने एक्सपर्ट ने दी जानकारी

Safety Workshop

Thel (India) | 1/1/17

यंग आर्म्स फाउंडेशन की ओर से एलपेसी फायर सेफ्टी पर वर्कशॉप का आयोजन किया गया। एक्सपर्ट अमिता मिश्रा ने लोगों को फ्लवीजी फ्लू से लगने वाली आग से बचाव के तरीके बताए। उन्होंने कहा कि यदि घर पर वाशिंग पाउडर में इलेक्ट्रिकल इन्सुलेशन में लगी आग पर पानी डालने लगते हैं। इससे आग और तेजी से बढ़ती है। अग्नि ने बताया कि जल जलाने वाली को मिचकाकर बनती है। ईंधन और ऑक्सीजन। जलने में ये किसी एक पर कंट्रोल हो जाए तो आग पर कब्जा हो सकता है। अग्नि ने लोगों को आग बुझाने में पूरा होने वाले चीजों को पहचान सिखाया। उन्होंने कहा कि यदि सेफ्टी इन्सुलेशन पर चलने होने के कारण आग लगती है।

वॉशिंग पाउडर का झाग तेल से हल्का होता है, इसलिए कारगर

फायर सेफ्टी की जानकारी देने हुए अग्नि मिश्रा ने बताया कि घर में अगर किसी भी जगह पर आग लगे तो उसी घंटे डालने के बजाय वॉशिंग

पाउडर का झाग बसाकर डालें, क्योंकि पानी से तेल हल्का होता है। पानी डालने से तेल ऊपर आ जाता है। वहीं, वाशिंग पाउडर का झाग तेल से हल्का होता है, जो आग को बसा करता है। इससे एग्नि इंजन से तेल नहीं चले और आग को कंट्रोल किया जा सकता है।

शांति-स्थिरता लाने अमीर-गरीब की खाई खत्म करना जरूरी : रमन

रायपुर, 6 मई (देशबन्धु)। मुख्यमंत्री डॉ. रमन सिंह ने आज रात यहां उद्यमिता संगठन द्वारा आयोजित कार्यक्रम में छत्तीसगढ़ के सफल उद्यमियों की उद्यमिता पुरस्कारों से सम्मानित किया। मुख्य अतिथि की आर्सदी से डॉ. रमन सिंह ने समारोह को सम्बोधित करते हुए कहा कि अमीरों और गरीबों के बीच खाई जितनी कम होगी, देश और

दुनिया में उतनी ही ज्यादा शांति और स्थिरता आएगी। डॉ. सिंह ने कहा कि छत्तीसगढ़ सरकार इस दिशा में गंभीरता से कार्य कर रही है। विभिन्न क्षेत्रों में विभिन्न प्रकार के उद्योगों को बढ़ावा दिया जा रहा है। उद्योग स्थापना के लिए नये उद्यमियों को प्रोत्साहित करने की अनेक योजनाएं प्रदेश में संचालित की जा रही है।

वेस्ट मटेरियल से डेकोरेटिव आइटम्स बनाने के टिप्स दिए

रिज रोड स्थित कारपोरेट सेंटर में व्हाई आर्म्स फाउंडेशन की ओर से वेस्ट ऑफ़ोड वेस्ट मैनेजमेंट पर एक शिक्षात्मक कार्यशाला का आयोजन किया गया, इसमें क्विज वेस्ट मटेरियल का विज्ञान करना सिखाया गया।

डॉ. अलका मिश्रा ने वेस्ट मटेरियल से निपटने के लिए ग्री आर रीड्यून्स, रीयूज एवं रीसाइकिल का चर्चा किया। उन्होंने कहा कि नैचुरल मटेरियल वेस्ट नहीं होता, उसका दोबारा से उपयोग किया जा सकता है, साथ ही वह रिकवर् भी हो जाता है, परंतु प्लास्टिक वेस्ट एवं इलेक्ट्रॉनिक वेस्ट रिकवर् होना मुश्किल है, हमें चाहिए कि हम निकले हुए वेस्ट को नई क्रिएटिविटी के साथ

नून करें, नये पुनर्ने शोध, पीपल के बर्तन, हार्डवेयर कप, पुरानी घड़ी, काने नरियाल अदि में पैपेज द्वारा लैंडस्केपिंग करके बहुत डेकोरेटिव गमले बनाए जा सकते हैं, साथ ही रोजना सज्जनों के कपड़े से वेनिटेबल मिग बनकर कपड़े को सम्स्था का समाधान किया जा सकता है, जिससे ग्रीन वेस्ट का सतुपयोग हो जाएगा और पैपेज को भी पोषक पदार्थ

एवं खानाभिल बनाया, जिनके पास पैपेज लखाने की जगह नहीं है वे पुनर्नी वस्तुओं का उपयोग कर उनमें पोषे लगा सकते हैं, ट्रेजर बीन सोमाने ने वेस्ट मटेरियल का नून कर कई डेकोरेटिव आइटम्स तैयार किए, जिसमें उन्नि वेस्ट पैपर, फोट, ट्यूबक, बोगल, खराम सोटी, पेन डिस्पोजल मटेरियल का सबूजी रीयूज किया।

हर वर्ष 10 रुपये कम हो रहा सौ रुपये का मूल्य

आइआइटीएन श्रीकांत पारख ने बचत और निवेश के बताए गुर, कॉर्पोरेट सेंटर में हुआ आयोजन

रायपुर। नईदुनिया प्रतिनिधि

आज के दौर में महंगाई और जीवन शैली ने इस तरह से करवट बदली है कि भविष्य में आर्थिक चिंताएं बढ़ सकती हैं। समय और अव्यवस्था ऐसी चल रही है कि 100 रुपये का मूल्य प्रतिवर्ष पांच प्रतिशत गिर रहा है। यदि आप अपने भविष्य को आर्थिक रूप से मजबूत करना चाहते हैं तो केवल 1000 रुपये की बचत कर सुरक्षित कर सकते हैं। ये बात कॉर्पोरेट सेंटर में गंग अरम फाउंडेशन के तत्वावधान में फाइनेंशियल इंस्टीट्यूट्स ऑफ फाइनेंशियल प्लानिंग प्रशिक्षण में कही गईं। कार्यक्रम में आए विशेषज्ञ आइआइटीएन श्रीकांत पारख ने बताया कि भविष्य को आर्थिक रूप से मजबूत करने के लिए हर व्यक्ति पांच तरह की रणनीति बनाता है, जो जीवन में सबसे ज्यादा महत्वपूर्ण हैं। पहली- बच्चों

की शिक्षा, दूसरी- बच्चों का विवाह, तीसरी- स्वयं का मकान, चौथी- सेवानिवृत्ति पर आवक और पांचवीं- आर्थिक सुरक्षा।

पांचों रणनीतियां पूरी करने के बताए उपाय

यदि आपकी आय 20 हजार है तो अल्पक यदि परिवार एकल है। जैसे

माता-पिता और एक बच्चा 1000 रुपये प्रतिमाह बचत करें। उसे जो जगहों पर निवेश करें, जो आपके बच्चे की शिक्षा के खर्च और भविष्य में आर्थिक सुरक्षा देगा।

यहां करें निवेश

इक्विटी फंड - इसमें 500 रुपये प्रतिमाह निवेश किया जाए तो रुपये बढ़ने

की काफी संभावनाएं हैं। यह एक तरह से निक्स डिपॉजिट की तरह कार्य करता है। जहां आपके निवेश किए रुपये को दूसरी जगह पर निवेश किया जाता है। उसके बाद जो आय प्राप्त होती है, उसका कुछ प्रतिशत काट कर आपकी रकम में जोड़ दिया जाता है, जिसका अत्यधिक लाभ लंबे अवधि में मिलता है। कम से कम 10

आर्थिक आंकड़े जीवन शैली में बदलाव के कारण

- 20 प्रतिशत प्रतिवर्ष बढ़ रहा रिफ्लेक्स देखने का चलन, बढ़ रहा आर्थिक बोझ।
- 15 प्रतिशत स्मार्ट फोन का खर्च, जिसे किया जा सकता है नियंत्रित।
- 15 प्रतिशत बाहन भोजन करने पर व्यय, स्वास्थ्य पर धड़ रहा असर।

वर्ष के लिए करें निवेश।

ट्रेपेट प्रचलन फंड- हजार रुपये में बचे 500 रुपये को यहां निवेश कर दिया जाए, इसकी अच्छी वजह ये है कि इसे जरूरत पड़ने पर निकाला जा सकता है। ये भी लंबी अवधि पर अच्छा लाभ देता है। दोनों ही निवेश को यदि 20 साल के लिए किया जाए तो 10 लाख रुपये आय होगी।

Failure is the foundation to the success, says Chief Minister

Chief Minister was addressing the Entrepreneur of the Year Award function

Staff Reporter

RAIPUR, May 6

UPS and Downs come and go in life, but the success comes to that businessman or to any other person for that matter who faces all the challenges with readiness, patience and then goes ahead after winning over all them," Chief Minister stated while addressing the Entrepreneur of the Year Award function on Sunday. Failure is the foundation to the success. Business we fail and gets beaten. An important of success comes from that failure, he said.

Chief Minister talked about how big businessmen like Kamal Jaisi and Naven Jindal struggled through life before tasting the sweet success.

Dr Singh also shared anecdote from his own life as to how he over thought of quitting the politics after a defeat in the election, and how he once again got back to the path of success. After losing an election by 18,000 votes, he won the next one with great

Chief Minister Dr. Ramen Singh, JSP, Chairman Navens Jindal sharing stage with all the awardees after the function.

margin and former Prime Minister Atal Bihari Vajpayee respect him in the Union Cabinet, which was the watershed moment of his life.

Chief Minister also shared his secret to stay in power despite the entire Bihar around him. The completed Chhattisgarh as a Start-up State, where he got the chance of taking risk. Chief Minister shared the growth story of Chhattisgarh from a small state with negligible GDP of 25,000 crore. Budget of Rs 6,000 crore and Per Capita Income Rs 18,950 to GDP 250 lakh crore, 90,000

Per capita income, per capita power consumption from 900 units to 1,700 units, highest in the India.

Today Chhattisgarh is the first state in the nation which is going to lay 1,300 km railway track in next 8 years. Unless the farmers get strong and agriculture sector grows, state cannot progress. Rs 25,000 crore road construction works are being undertaken in the state. It will bring paradigm shift in the life of people and state matters. Road, Rail and Power Connectivity are keys to progress of the state.

By August and September every home of the Chhattisgarh will have power connection. We are fighting generations war now. People joked about right to food scheme, but it brought remarkable changes. Bridging the gap between rich and poor is a responsibility for people, Dr Singh added.

Later in the event, Jindal Steel and Power Limited (JSPIL) Chairperson Naven Jindal, in his speech, shared his success story and daunting challenges that hindered him.

He headed in Bhatnagar straight from the United States of America, Dallas, Texas, when his company was making huge losses of around Rs 3 to 4 crore per month.

He shared his concerns with his father, who assured him that one day the company will earn Rs 100 crore a year. He thought the father was just trying to console him, but gradually they recovered from losses, company started making profit and paying huge taxes.

Jindal attributed the success to team spirit and blessing/guidance of your elders. He recalled the momentous incident of his

career, when he met State Bank of India Chairman for Rs 150 crore loans for a small rolling mill. Chairman instead suggested him to set up power plant and offered to finance it.

Naven Jindal informed that JSPIL set India's first 1000 MW power plant which transformed the face of Power Industry. The company repaid the debt taken from SBI within one and a half year. Jindal also gave valuable suggestions and tips to the emerging entrepreneurs for the success in business by citing examples from his life.

Entrepreneurs' Organization gave away awards in 13 categories, starting from Startup Business Practices award, Anirudh Jaiswal of Clean Tec Service and Dr. Anil Gupta of Positive Health Zone.

Emerging Business House category award went to Vign Khushnani of New Leo Enterprises, Dr. Harish Khan, Vignita Hooda of Path SA Academics, and Harpreet Dhillon of Kansale Group.

Best CSR Practice award went to Dharmendra Banwait of D Egg Industries, and Basar Kumar Jaisi of Shishu's Boulder Innovative Business Models

bestowed on Anshul Dave of Omans Holdings and C Jain of MC Start of the year award accolade in Purvi Agrawal of Blue Barren Special Jury Award for Emerging Woman Entrepreneur awarded to Priyanka Agrawal, Lifetime Achievement Award bagged by Pratikshita Mantri of Shri Shivam Store.

Best Entrepreneur of the Year award flanked by Honey Jaisi of The Laundry Bag, Wema Entrepreneur of the Year Award was taken up by Ritu Jaisi of C Corporation and Navin Kumar Agrawal took home the Entrepreneur of the Year award
