- 1) We Load Packed seed from VNR Plant as well as custom processing plant without any delay.
- 2) Fulfill the market requirement in time.
- 3) I solved the market complaint of packed seed bag shortage at Raipur c&f warehouse and solve the issue of logistic dept.
- 4) I planned the packed seed loading for market without any halting of truck at vnr plant and custom plant.
- 5) Properly communicate with driver to check the packed seed bag at the time of loading.
