Dear sir,

Today i am going for visit ICAR-Research Complex for Eastern Region (ICAR-RCER), Ranchi, There i meet Principal scientist and discussion with them for their research.

I meet

Dr.Ravi Shankar Pan (Head & Principal scientist)

Dr.Bhavna Patnaykuni (Plant breeder, senior scientist)

Dr.Ajit Kumar Jha (senior plant Pathologist)

We discussed their research work, they are working on wilt tolerance of solanaceous vegetables. They have swarna prakash (tomato) for wilt tolerance, we take this variety in our trial in WS-23 season.

They are also working on tolerance of Fusarium wilt of bottle gourd, I am involved in his research work for multi locations trials,

We are discussing many topics of vegetable disease resistance and in the future working with each other, we will visit again when their trials are ongoing.

We have already signed a MoU with them on 10 different crops of vegetables by Rajeev sir.

Thanks & Regards
