Sub.- Resignation letter

Respected,

I, Akash Khandelwal (1277) is currently Assistant Breeder in Grounds crop at Kohadiya (Raipur) location. Due to some family issue and not feeling comfortable in doing job, I want to resign from my post.

I completed all ~~necessary~~ necessary works and remaining my team mates can also do easily.

I tried my level best to serve this company for growth, but my journey with this wonderful organization was till here only.

Very humble request to you to accept my resignation and relieve me as soon as possible.

I will always pray for growth of this extra-ordinary organization.

Thank you...
