Subject - Resignation letter

Respected Ma'am,

My EC is 1171 and I am working in the R&D Department at Jagdalpur (CG) location. It's difficult for me to convey that I am willing to resign from the post of Assistant Scientist (Plant Pathology), vegetable R&D Department from Bastar (Jagdalpur) (CG). I am facing difficulty due to the location which is very far from my home as I have to take care of my mother who is a serious arthritis patient. It's not a good to take a leave every 2-3 months for me as well as for the organization.

You are requested to kindly consider my resignation and consider December 2023 as a notice period.

Thank you

Date - 21/12/2023

Yours sincerely
Hariom Patidar
Assistant Scientist (Plant Patho.)
