

Dear Sir,

I am writing to formally resign from my position as Senior Breeder Hotpepper effective from 12/04/2024.

I am grateful for the opportunities for professional and personal development that I have been provided during my tenure. I express my sincere gratitude for your continuous support and encouragement because of which I could able to contribute towards enrichment of chilli germplasm, developing virus resistant hybrids and also development of populations of different generations. However, after careful consideration, I have decided to move on due to personal reasons.

I am committed to ensuring a smooth transition during my remaining time here. I would like to take this opportunity to thank you and the entire team for the support and guidance you have provided me during my time. I have truly appreciated the experience and will cherish the relationships I have built here.

Thank you once again for the opportunity to be a part of VNR SEEDS PVT LTD. I wish the company continued success in the future.

Sincerely,

Vishwanath S Patil
